

# NEWBORN \$ 600

Stay home Mami. I will come to you. We can take all the time you need. You are not limited to a specific time-slot however you can expect me to be in your home for 60-90 minutes. If you need to feed, change a diaper, or take breaks, I will happily give you the space and time to do so.

# FAMILY \$ 650

We might get dirty or wet and I will arrive prepared. Your children are who I crave to highlight, for their sake let's make this an active adventure instead of a formal photo session. Family documentary is where my heart lies. Whether it's in your kitchen, hanging from trees or plunging into the lake, let's let your kids be kids. Classic portrait style images are incorporated into every session, with an emphasis on story telling.

# EXTENDED \$ 850 +

A very rare occasion indeed ! We will focus on individual families, small groups as well as the whole group. With a weave of documentary and classic portraiture, I will integrate myself into your reunion, highlighting family dynamics and individual relationships. Extended families start at \$750, and may be adjusted due to size of group.
